

# **CALL FOR PARTICIPATION**

## **Workshop on the Impact of Pen & Touch Technology in Education**

March 12-15, 2014

### ***Drive the Trend of Future of Education***

The 2014 Workshop on the Impact of Pen and Touch Technology in Education **seeks papers, presentations, or lesson plans that report on the impact** of pen and touch interfaces across K-12 education settings, including both formal and informal learning environments.

With the advent of MOOCS, flipped classes, distance education, and tablet PCs, education is now in the hands of the students more so than ever before. The Workshop on the Impact of Pen and Touch Technology in Education (WIPETTE) attempts to bring together users, developers, decision makers, students, and teachers to help ascertain and drive the trend of future education. **Share your ideas and be a part of WIPETTE 2014.**

- ***Scholarships for K12 teachers are available!***
- ***Receive CTE Credit from AggieSTEM!***
- ***Do you feel the urge to drive the future of education?***
- ***Submit a Presentation (Use Code: TeacherSummit):***

For paper submission instructions and registration scholarship applications, visit <http://wiptte.org/participate>

### ***Tablet High School Contest – March 15***

Bring a team of students (generally of size 3-6 high school students) to compete in the Tablet High School contest on March 15<sup>th</sup>. All k-12 teacher team leaders get a free 3-day registrations in the WIPETTE conference and CTE credit.

- ***High School Students Learn Key Design Concepts***
- ***Valuable Door Prizes for Participating Schools!***
